Investment strategy

The Fund is to primarily invest in senior and subordinated (Hybrid Capital Securities) income producing investments in Global Fixed Interest markets, in US dollars that are issued by Australian & Global large financial institutions. The fund will seek to control the short-term variability of capital by investing in high quality assets and by managing a diversified portfolio of income producing assets. The fund is not hedged into Australian dollars. The strategy invests in both investment grade and speculative grade securities including Government Debt, Corporate Debt, Asset Backed Debt/Funds and Debt issued by Financial Institutions.
